1. Summary

The BELIEF Digital Library (hereafter DL) is accessible from the BELIEF Portal at

<http://www.beliefproject.org/>

by clicking on the **Digital Library** menu; or directly at

<http://belief-dl.research-infrastructures.eu/>

To let this User Guide being easily accessible by online users, it is provided as a website at:

<https://userguide.wiki.belief.research-infrastructures.eu/>

and it is directly accessible also via a link on the right side of the toolbar of the BELIEF Digital Library interface.

Being a wiki-type website, this documentation can be easily updated, and reviewed, time by time, as the need of doing modifications or adding details arises in the future. Being based on MediaWiki pages, the website allows an active and efficient collaboration between the partners involved. The website represents the real deliverable; this document deliverable has the role to document it.

The User Guide is presented under three sections, according with the roles a community member can play:

- User Functionalities
- Author& Reviewer Functionalities
- Administrator Functionalities

A preliminary section “Getting Started” introduces the general structure, functionalities and interaction logic of the Interface, explaining the different areas of work in terms of functionalities and content.

To improve the ease to access website sections, the website also provides the links above in a panel situated on the left of the main page.
